RENOVATIONS UPDATE

Grandover Resort completed a major room renovation, as well as other updates around the property, in 2017/2018.

Guest rooms are updated in neutral tones of beige and gray with streamlined yet comfortable furnishings including wingback chair with ottoman, and new custom Stearns & Foster mattresses designed exclusively for Grandover Resort. The spacious bathroom features a full shower with rain-showerhead and glass wall. Modern and custom artwork and accent pieces complete the transformation.

Each guest room features a wet bar with mini-refrigerator, bathrobes for guest use during their stay, in-room temperature controls, 42" flat panel television, and a safe for valuables.

Other updates around the Resort include the complete renovation of the Spa, new lobby furnishings, and updated décor in Di Valletta Restaurant.

The indoor/outdoor swimming pool was renovated and features new exterior stone decking, landscaping, outdoor lounge furniture and shade cabanas.

To the delight of our golfers, the greens on the East Golf Course were changed to Bermuda grass in the Summer of 2017.

And our tennis playing guests will enjoy the four re-surfaced state-of-the art clay courts.
